

## Your Higher Education Partner

For over twenty years, MIPRO Consulting has been a trusted partner in the Oracle/PeopleSoft community.

We empower our higher education clients to fully leverage PeopleSoft Financials, HCM, and Campus Solutions, with our unparalleled passion, experience, and dedication.

It's not about simply integrating a software solution. It's about matching unique academic and administration challenges to specific software functions and maximizing strategic benefits, while minimizing cost, risk, time-to-value, and disruption.

### Higher Education Systems Experience

MIPRO Consulting brings extensive consulting experience and deep expertise in helping higher education institutions fully optimize Oracle's PeopleSoft Financials, HCM, and Campus Solutions suites. With a team of seasoned professionals, MIPRO has successfully guided universities and colleges through seamless implementations, upgrades, and optimizations of PeopleSoft applications, ensuring institutions maximize their investment. Our consultative approach focuses on aligning PeopleSoft's powerful functionalities with the unique needs of higher education, enhancing student services, academic operations, and administrative efficiencies. By leveraging best practices and proven methodologies, MIPRO enables institutions to streamline processes, improve data management, and enhance the overall student experience.

### Providing the Best Resources

MIPRO's expertise extends beyond technical implementations to providing strategic guidance,

system integrations, and long-term support, ensuring institutions realize continuous value from their PeopleSoft environments. Our deep understanding of higher education workflows allows us to tailor solutions that drive operational excellence, whether in GL, human resources, admissions, student records, financial aid, or academic advising. MIPRO's hands-on approach and commitment to client success have made us a trusted partner for institutions seeking to modernize and optimize their ERP and student information system. By combining technical proficiency with a strong focus on institutional goals, MIPRO empowers its higher education clients to fully leverage PeopleSoft for improved efficiency, compliance, and student satisfaction & success.

## Maximizing Campus Solutions with MIPRO's Optimization Services

MIPRO's optimization assessment and services are designed to assist an organization in getting the most out of its current PeopleSoft deployment. It also analyzes the content of all the PeopleSoft Image updates that may improve the overall organizational processes.

- Assesses current PeopleSoft application usage and how it aligns with the organizational objectives.
- Identifies available but unused features in the current application configuration.
- Provides recommendations to meet new challenges.
- Deploys software already owned but not being utilized to its full benefit.
- Improves the return on investment (ROI) on an institution's PeopleSoft investment.

## MIPRO AT A GLANCE

- Limitless passion for enabling client success leveraging world-class talent
- Unrelenting drive to do the right thing
- PeopleSoft specialists, not just generalists
- Extensive PeopleSoft heritage
- Maintains extensive relationships with Oracle's PeopleSoft leadership team
- Highly regarded for workplace culture, enabling attraction & retention of top talent
- Experts in optimization, implementation, support & managed services

## Do the Right Thing

Whatever your challenge, you can count on MIPRO to do the right thing. Our passion for employing and inspiring the best people in the business, for ensuring our clients' success, and for the PeopleSoft product conditions our every pursuit. Our laser focus on the PeopleSoft suite ensures that our clients get the exacting precision of a specialist, when a generalist simply won't do.
