

EXECUTIVE STRATEGY WORKSHOP

We invite you to participate in a strategic and collaborative workshop led by MIPRO Consulting.

IS YOUR ORGANIZATION STRUGGLING TO ANSWER THESE QUESTIONS:

- **Am I getting all of the value out of our PeopleSoft solution?**
- **Will PeopleSoft be viable and continue to support my business for 5 years or 10 years?**
- **Should I move to Cloud SaaS?**
- **Should I look at generating a path to the cloud?**
- **How important is AI to my organization?**

WE CAN HELP

With more than 20 years as a trusted Oracle Partner, deep and unparalleled PeopleSoft expertise, and proven Oracle Cloud SaaS implementation experience, MIPRO has developed a focused, strategic approach that equips organizations with the clarity and insight needed to make confident, forward-looking decisions.

OUR ONE-DAY EXECUTIVE WORKSHOP INCLUDES:

- **Pre-Workshop Questionnaire** resulting in a clear, structured summary of workshop outcomes.
- **Comprehensive Assessment** with a recommendation to optimize PeopleSoft or pursue Oracle Cloud, including mapped challenges, benefits, and risk-mitigated next steps if Cloud is advised.
